ENTRY CRITERIA

All candidates enrolling in a Higher Education Diploma or Bachelor Degree must:

· Have a Unique Student Identifier (USI) or have appropriate exemption; AND
· Have a unique email address; AND
· Have access to a computer with an internet connection; AND
· Be 17 years or older at the time of commencement (students under 18 will require a support letter from their parent or guardian); AND
· Have completed high school certification equivalent to year 12; OR
· Have completed year 11 (or equivalent) and be able to provide year 11 results, a support letter from a parent or guardian & attend a screening interview;* OR
· Have successfully completed a certificate IV, VET Diploma or Higher Education Diploma; OR
· Have successfully completed one year of full time study in a degree course at a higher education provider; OR
· Display experience or interest in the field of interactive media through evidence of relevant work or practice. Students may be asked to demonstrate this through a CV, short written piece, interview and/or portfolio.

* Note: For applicants leaving school prior to the completion of year 12 please check with your school as to the specific legal requirements. Where a release letter from your school is required, please include this in your application. In all cases please provide a letter (certified) of support from your parent or legal guardian in your application.

All international candidates must:

· *Meet the above criteria; AND*
· *If enrolling into a Higher Education Diploma, have achieved an IELTS result of 5.5 (no band less than 5.5) or equivalent which has been completed within the last 12 months.*
· *If enrolling into a Bachelor Degree, have achieved an IELTS result of 6.0 (no band less than 5.5) or equivalent which has been completed within the last 12 months.*

Successful application requires certified pages of all documents submitted. Students who do not meet the minimum English requirements may choose to package further English study with their application at AIT.
